

MARINE SHINE & SHIELD

Marine Shine & Shield is a liquid Nano Polymer that is designed for easy application and amazing results. Marine Shine & Shield is a simple spray on, wipe off application that provides 4-8 months protection while adding showroom quality gloss and shine.

Marine Shine & Shield fills the pores of marine gel coat or painted surfaces, protecting from UV damage, dirt, salt, fish blood, and staining. Marine Shine & Shield also makes the surface extremely hydrophobic, repelling dirt and water, which greatly reduces maintenance. Marine Shine & Shield provides better protection and results compared to traditional wax, all while being easier to apply. Never use wax again! Marine Shine & Shield can also be used as a final top coat for Glidecoat's Nano Coating or as quick detailer and maintenance product after a Nano Ceramic application.

BENEFITS

- 4 to 8 months of durability depending on location
- Simple application. Spray on wipe off!
- Prevents hull staining at waterline from algae and in-water solids
- Enhanced gloss and shine
- Creates extremely hydrophobic surface
- Extreme dirt, salt, fish blood and water repellence
- Can be layered for increased gloss and protection
- Not a permanent coating

Testimonial:

About one year ago, I obtained a bottle of Glidecoat Marine Shine & Shield. In prepping our boat for summer 2016, I decided to try Glidecoat. As a boating publisher we don't do comparative testing, but the results of your product over the past year have been so good, that I thought I should send you an unsolicited testimonial.

Yes, it was easy to apply, but other products can make that claim. What was unique, was what seemed to be a magical shield against dirt, water marks and even dark stains. The glossy shine was an added bonus. It is quite evident that Glidecoat is more than a polish and I would certainly recommend it to anyone with a boat. **Bill Jennings - Power Boating Canada Magazine**

DISCLAIMER:

Glidecoat a division of Onan Technologies Inc.'s maximum liability for or with respect to any damages of any kind to any person, property or otherwise, caused to any Customer or any other person as a result of or with respect to any proven breach of any express or implied warranty with respect to any Product; misrepresentation with respect to any Product; Product error, failure or malfunction; formula, engineering or design error; manufacturing or packaging error; labelling error; Product failure to perform; or any other act or omission of any kind whatsoever with respect to any Product, shall be limited the price paid by the Customer for the Product at the time of original purchase (not including shipping, handling, sales taxes or installation services); and Product purchase price refund shall be Customer's only claim or remedy arising therefrom. IN ADDITION TO AND WITHOUT LIMITATION OF THE FOREGOING, GLIDECOAT SHALL NOT BE LIABLE UNDER ANY RULE OR THEORY OF LAW TO ANY CUSTOMER OR ANY OTHER PERSON FOR (A) INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOSS OF REVENUES, LOSS OF PROFITS, LOSS OF BUSINESS, OR OTHER ECONOMIC DAMAGES, OR (B) ERRORS MADE IN THE HANDLING, STORAGE OR INSTALLATION OR APPLICATION OF ANY PRODUCT, REGARDLESS OF WHETHER ONAN WAS ADVISED OF, KNEW OR OUGHT TO HAVE KNOWN OF THE POSSIBILITY OR RISK OF SUCH LOSSES OR DAMAGES.

STORAGE AND USE

- Spray on to the surface and buff with a microfiber cloth
- Apply to one section at a time to ensure complete coverage.
- Do not apply in direct sunlight. Ensure surface is cool to touch allowing product to dry after wiping with a microfiber cloth.
- Marine Shine & Shield can be used with any other Glidecoat Maintenance products as a base or top layer. It can also be used as a drying aid by diluting between 1:2, spraying onto a wet surface and drying with a microfiber towel.
- **NOTE:** Can be layered for increased gloss and protection.
- Marine Shield & Shine needs to be used within two years of the date purchased. Once opened it has a shelf life of 1 year.

GLIDECOAT

Glidecoat provides a unique range of high performance products and services using Smart Surface Technology (SST) Nano-composite materials. Products include Glidecoat Nano Glass, Inflatable Kit, Nano-Ceramic Top Coating, Prop-Optimizer, Anti-Microbial and Shine & Shield. These products have been extensively tested on all forms of marine vehicles in extreme weather conditions by accredited laboratories and have been proven to provide superior protection in even the harshest conditions.
